Audit Analyst

Chennai, 600037, India

📞 7305857878 | ✉️ bharathwaj2219@gmail.com

Professional Summary

Results-driven Analyst with 5+ years of experience in data management, Advanced Excel, and process automation. Skilled in transforming large datasets into actionable insights through well-structured MIS reports and dynamic dashboards. Proven expertise in streamlining repetitive tasks by developing efficient Excel macros, improving accuracy and reducing turnaround time. Effective communicator with experience in stakeholder coordination, supporting seamless collaboration and data-driven business decision-making.

Experience

LYCA GROUPS

Chennai

06/2025 - Present

- Managed audit operations and data processing for 4+ countries, ensuring accurate reporting, compliance, and coordination with international managers and HR teams.
- Processed 30+ daily and 12–16 monthly files, validating data, maintaining records, and preparing MIS reports to track performance, deductions, and incentives.
- Calculated daily deduction files, tracked country-wise data, and performed reconciliation and weekly backlog analysis to reduce discrepancies and errors.
- Calculated and validated monthly incentives by consolidating data from sales and HR, aligning with country-specific norms and business rules.
- Developed automated reports and implemented automation during peak workloads, significantly reducing manual effort and improving efficiency.
- Utilized Advanced Excel tools (formulas, Pivot Tables, macros) to streamline repetitive tasks, enhance accuracy, and manage high-volume datasets.
- Maintained confidential documentation, SOPs, and templates, communicated updates via email, and delivered actionable insights for data-driven decision-making.

Sri Sangu Chakaran Transport

Chennai

09/2022 - 05/2025

- Managed daily accounting operations, including cash receipts, payments, journal entries, ledger maintenance, invoicing, and financial records using Microsoft Excel.
- Maintained Accounts Payable (AP) and Accounts Receivable (AR), tracked outstanding payments, and performed bank reconciliations and expense reconciliations.
- Managed payroll and salary administration, including salary calculations, employee records, payroll reports, adjustments, and discrepancy resolution.
- Prepared daily accounting, payroll, and operational reports using Excel to support management reporting and decision-making.
- Conducted employee interviews, supported workforce planning, and allocated team roles and responsibilities based on operational requirements.
- Coordinated goods allocation, transportation planning, and daily operations, working with management and employees to resolve accounting, payroll, and operational issues.

ARMSOFTECH Private Limited

Chennai

12/2020 - 02/2022

- Monitored accounts regularly to identify overdue payments and prioritize collection activities.
- Contacted debtors to negotiate and arrange timely debt repayments and settlements.
- Maintained accurate records of collection activities and prepared regular performance reports.
- Updated account statuses and tracked collection efforts daily to ensure data accuracy.
- Handled customer inquiries professionally, including reconciliations, statements, dispute resolution, and processing payments/refunds.
- Utilized strong computer skills, including Excel, Google Sheets, and data management tools, for efficient tracking and reporting.
- Demonstrated excellent communication skills and received the Best Performance Award from Armsotech in December 2021.
